Thankful For You Friend

## Measurements

Paper/Cardstock	No of Pieces	Imperial Measurement
Basic White Note Card Base	1	5" x 7" Scored in half at 3 1/2"
Basic White Thick Layer for Card Front - to emboss	1	3 3/8" x 4 7/8" I cut to 3 3/8" x 5" and then emboss and cut down any extra to allow for 'shrinkage' when embossing.
Basic White Thick		Scraps for sentiment and die cutting/stamping

## Instructions

1. Cut and score your card base layer.
2. Cut the layer of Basic White and emboss using the Mini Corrugated 3D Embossing Folder. Adhere this layer to the card base.
3. Spritz the card base with a Shy Shamrock Stampin' Write Marker.
4. Stamp the large flower image in Memento Black on some Basic White Cardstock. Die cut this out with corresponding die. Stamp two of the same stamp - only stamping to get the three small flowers. Die cut out. See videos for tips for this.
5. Using the coordinating layering masks colour the leaves with a mixture of Summer Splash and Shy Shamrock. Colour the flowers with a mixture of

Pretty in Pink, Melon Mambo and Berry Burst. Colour the two small flower trios with the same combination of ink.

6. Lightly curl up the petals on the flowers and add to the base flower arrangement with Stampin' Dimensionals. Embellish flower centres with sequins or appropriate embellishment. Add this whole piece to the card with Liquid Glue.
7. Die cut one of the leaves from Basic White and use a mixture of Summer Splash and Shy Shamrock Ink with a Blending Brush to add some colour.
8. Use a scrap of Basic White and heat emboss the sentiment in black. Trim this sentiment out. Add some Tear N' Tape to the back of the sentiment. Place some metallic thread behind the label by wrapping around fingers a few times and then folding into a figure of eight. Add the coloured leaf die behind the sentiment and then add a Stampin' Dimensional either side of the sentiment before adhering to the card base overlapping each side of the flower where shown.
9. Spritz the card with some Wink of Stella.
